The South Yorkshire ENTERTAINER

ISSUE 1543

*"The show was ending and I had started to crack
Woke up in Chicago and the sky turned black
And you're so high, you're so high,
you have to be an angel
And I'm so high, I'm so high,
I can see an angel
I hear your heart beating in your chest
The world slows till there's nothing left
Skyscrapers look on like great, unblinking giants (oh)
In those heavy days in June
When love became an act of defiance"*

June - Florence and the Machine
